PROFESSIONAL SUMMARY

MERN Stack Developer and 2026 CSE graduate (CGPA 8.92) with internship experience and 2 full-stack projects deployed in production. Proficient in React.js, Node.js, Express.js, MongoDB, and REST APIs.

EDUCATION

B.Tech — Computer Science Engineering | 2022–2026

Madanapalle Institute of Technology and Science, Madanapalle, Andhra Pradesh

CGPA: 8.92

SKILLS

Languages : Java, JavaScript, SQL

Frontend : React.js, HTML, CSS

Backend : Node.js, Express.js, REST APIs

Databases : MongoDB, MySQL

Tools : Git

PROJECTS

IT Helpdesk & Asset Management System

Technologies: React.js, Node.js, Express.js, MongoDB, JWT | [GitHub](#) | [Live Demo](#)

- Developed a centralized IT helpdesk platform for managing support tickets and IT assets across Employee, IT Engineer, and Admin roles.
- Implemented ticket workflows with SLA-based deadlines, automated overdue detection, and escalation tracking.
- Built role-based authentication and asset lifecycle tracking for assignments, returns, and repairs.

Inventory & Procurement Management System

Technologies: React.js, Node.js, Express.js, MongoDB, JWT | [GitHub](#) | [Live Demo](#)

- Developed an inventory and procurement platform for managing products across multiple warehouses, suppliers, purchase requests, and purchase orders.
- Implemented an approval-driven procurement workflow from low-stock detection through purchase requests, approvals, purchase orders, and goods receipt, with stock updates and movement tracking.
- Built role-based access control and supplier workflows while maintaining stock movement records for inventory traceability.

INTERNSHIP

Front-End Developer Intern (Feb 2026 – April 2026)

Elbert Tech Technologies – Hyderabad (Remote)

- Developed responsive user interface components for web applications with a focus on usability and device compatibility.
- Integrated REST APIs to enable dynamic data retrieval and interaction between the frontend and backend.
- Debugged and resolved UI issues to improve application stability and user experience.

CERTIFICATIONS

- Placement Training Program — GeeksforGeeks | 2025 | [Credential](#)
